Minutes of the Orientation Program

Orientation and Sensitization program on AETCOM- Attitude, Ethics and Communication Skills was conducted for the First Year MBBS faculty on 22/9/2018 in the Medical education department of MRIMS .AETCOM Module is Sensitization program for the Medical College faculty so that they will in turn teach the MBBS students about the AETCOM Skills and its importance.

The Program took place from 9.00am to 4.00pm. All the faculty of First Year MBBS Departments attended the workshop. The Medical education unit members were the Resource faculty .It started with Inauguration, Lighting of the Lamp and Prayer song. Several Role plays and activities took place during the sessions. Pretest and Post test was conducted to the Participant Faculty. Feedback about the Program was taken from the entire participant faculty in written.

Chairman, MEU.

>Welcome

Workshop on Financial Sensitization
for Faculty

The mediocre teacher
talks. The good teacher
explains. The superior
teacher demonstrates.
The great teacher inspires.
