## Summary of the Orientation Program conducted for Interns of 2014 Batch.

Orientation and Sensitization Program was conducted to the students who passed out MBBS- final year –part-II. The Program was conducted on 27/3/2019 from 9.30 am -3.30pm.

Inauguration was done by Dean, Medical superintendent, Academic Dean and Vice Principal.

Various topics like Case sheet writing, Prescription Writing , Communication Skills, Medical Ethics, Handling Laboratory Techniques, Biomedical Waste Management, Importance and techniques of CPR, Writing a Death Certificate etc. were introduced and explained briefly to the new interns by respective departments.

The Interns had to write answers to the pretest Questionnaire given to them before the Program started and to the posttest after the end of the program. A feedback form was given and the students had to fill up it regarding which was the best session, how to improve program etc.

Two students also gave feedback verbally at the end of the program.
