Summary of the Orientation Program for Post Graduate students.

A 3 day Orientation Program for the newly joined Postgraduate students (2019 Batch) was conducted from 16./5/2019 to 18 / 5 / 2019. in the ground floor lecture hall at MRIMS. All the Post graduate students of the clinical speciality departments attended the Scientific Program .The topics covered in these sessions were from Laboratory departments, Pharmacology, Community medicine, Forensic medicine, Emergency management, General topics like Communication Skills, Competency Based Medical Education, Professionalism, Stress management, Medical Ethics, Breaking Bad news, etc. The topics were dealt by the Professors from the respective departments. The program was conducted by the guidance of Dean Dr. V. V. Sastry and Academic Dean Dr. M. Ramani.

Pretest and post test were conducted for the students to assess their knowledge regarding the topics covered during these 3 days. Feedback about the Presentations, Speakers and topics was taken in the feedback form and the students expressed that the program was very useful, it was organized very well and they requested that a separate workshop on Research Methodology should be planned and conducted.
