

## **FOUNDATION COURSE CONDUCTED AT MRIMS In AUGUST 2019 FOR NEW ADMISSION MBBS STUDENTS.**

After 21 years new MBBS Curriculum has been released From 2019 by the Govt. of India and MCI titled “ Competency Based UG Curriculum ”for the Indian Medical Graduates. The Curriculum rolled out from August 2019 across Indian Medical Colleges. This Curriculum was introduced with a much higher focus on Skills and Competencies.

The New Graduate Medical Regulations (GMER/2018) became effective from 2019-20 academic session, envisaging a Competency based and Outcome- driven UG curriculum, the new regulations being in a novel course called Attitudes, Ethics and Communication (AETCOM)to stretch across the UG years.

The One month Foundation Course is a part of the new MBBS Curriculum that will be taught across the country from 2019 and is designed to orient and sensitize the students to the various identified areas and to prepare the Learner to study Medicine effectively. Students enter a new environment in medical college at around 17 years of age directly from School which can be challenging. Therefore, it is desirable to create a period of acclimatization and familiarization of the new environment. This would include an introduction to the course structure, learning methods, technology usage and peer instructions which would facilitate their smooth transition from high school to medical college.

As per the new Curriculum Guidelines, the students at MRIMS who joined MBBS in 2019 were give training for a period of One Month from Aug. 2<sup>nd</sup> to Aug 31<sup>st</sup> 2019 at the beginning of their course - **FOUNDATION COURSE**, to Orient and Sensitize the students to the various identified areas. At appropriate stages throughout the course , emphasis was laid on the various essential roles of “ Indian Medical Graduate”

The Program was Planned and organized by Dr. M. Ramani, Academic Dean, Dr. V. V. Sastry, Dean and other MEU members.

The major components of the Foundation course were planned, organized and successfully completed during the one month which include

1. Orientation Program
2. Basic Skills Module
3. Field Visits to Community and primary Health Centres.
4. Professional development including Ethics.
5. Sports and extracurricular activities.

During the foundation Course

1. The students were oriented to all aspects of the Medical college environment
2. Certain basic and important skills required for patient care were demonstrated
3. Classes were conducted by the respective subject teachers to enhance their Communication, language , computer and learning skills.
4. Several programs like Panel discussions, Interactive lectures were organized during the one month period providing opportunity for peer and faculty interactions.

Orientation to Professionalism and ethics will continue as the AETCOM module after the first month of BBS course and throughout the first year, with reinforcement of the various components introduced.

Various faculty from preclinical , paraclinical and clinical departments conducted and presented Lectures, Demonstrations, Interactive discussions, Orientation Programs etc. 6 Guest lectures and interactive sessions were planned and conducted to sensitize and Facilitate the students for various programs and sessions. The guest faculty were invited from other institutes and organizations.

1. Stress Management by Dr. Niranjana Reddy (Psychologist) on 10/8/19
2. Principles of Ethics for Medical students by Dr. Indira Narayan ( Senior Pharmacologist) on 14/8/19
3. Value of Integrity, Honesty and respect during interaction with peers Swamiji from Ramakrishna Mutt.
4. Value of Integrity, Honesty and Respect during Interaction with patients. Dr. G. Venkata Ramana, ( Senior Professor of Venereology) on 21/8/19.

5. Career pathways and personal growth , skill requirements and certifications  
By dr. Bhawna Gulati( Assoc. Prof. ASCI)
6. Gender Sensitivity by Padmasri Dr. Manjula Angani (Gynaecology  
Consultant)

Feedback from students regarding the various sessions was taken daily at the end of the day and reflections were taken at the end of the course in the Month end of August 2019.

A man in a light blue striped shirt and black trousers is speaking into a microphone on a stage.

In the foreground, a desk is cluttered with several papers, a blue pen, a small blue object, and a yellow packet. The papers appear to be documents related to the event, with some text visible but mostly illegible due to the angle and focus.
