Malla Reddy Institute of Medical Sciences is a private Medical College started in the year 2012-2013 with an intake of 150 seats and later it was increased to 200 seats with the kind permission given by the Ministry of Health and Family Welfare as per the recommendations of the Medical Council of India. The College and the Hospital are situated in a sprawling campus and has a total built-up area of 10 acres comprising of 4 buildings. The College is equipped with Air Conditioned Lecture Halls with multimedia audio-visual aids and well equipped demonstration rooms and Laboratories attached with a 1190 bedded Teaching Hospital located at Suraram, Ranga Reddy District as per NMC norms. Our teaching staff consists of many renowned professionals from all over India.

Dear Colleagues,

We are very much pleased to invite you to CPD on "**BONE MARROW PATHOLOGY**". Bone marrow examination is used to diagnose and stage hematological and non-hematological lesions, to determine the cause of cytopenias, and to confirm or exclude metabolic or infectious conditions suspected on the basis of clinical symptoms and peripheral blood findings. Bone marrow examination is used to diagnose and monitor blood and marrow diseases, including some cancers, as well as fevers of unknown origin.
