Strategic Plan

Mallareddy Institute of Medical Sciences has a strategic plan effectively in place in order to fulfill our mission by providing quality education with well-established infrastructure which leads to students' progression towards technical and social excellence.

MRIMS also has Statuary and Non Statuary Committees with their rules and regulations for the smooth running of the academic and welfare activities.

There is a well established college committee which conducts meetings every month regarding the academic activities of the students, their welfare, hostel activities etc. The minutes of this meetings are sent regularly to the Dean for his approval.

An exceptional Medical Education Unit is present in the college as per the NMC requirement and standards. They conduct the faculty development programs as well as the student orientation programs regularly.

The Strategic Plan was drafted for the period 2019 to 2024 for transforming MRIMS into a quality technical education institute at the global level.

Long term Goals:

To reach the status of Deemed to be University.

To integrate the academics and R & D programs in collaboration with the reputed Universities

To be ranked at the top in the list of NIRF Technical Institutions in India.

Need to establish a spacious auditorium to accommodate at least 2000 people.
