## **CPD IN NEUROIMAGING**

**ORGANISED BY  
DEPARTMENT OF RADIODIAGNOSIS, MRIMS**

**DATE: 18<sup>th</sup> JULY 2025, FRIDAY**

**Time: 08:30AM – 05:30PM**

**Venue: Clinical Lecture Hall, 3<sup>rd</sup> Floor, Malla Reddy Hospital, Suraram**

## DEAR DELEGATES

**“A clear image speaks volumes, but only an informed eye can interpret it.”**

With the rapid evolution of neuroimaging techniques and their expanding clinical applications, it is essential for radiologists and clinicians alike to stay abreast with the latest developments in neuroradiology. From acute stroke protocols to advanced spine imaging, the ability to promptly and accurately interpret findings can make a profound difference in patient outcomes.

To this end, the Department of Radiology, Malla Reddy Institute of Medical Sciences, presents this **Continuing Professional Development (CPD) program – “Brain, Spine & Beyond: CPD in Neuroradiology.”** This program brings together leading minds in the field to share knowledge, clinical experience & imaging pearls across the domains of brain, spine, and neurovascular imaging.

Whether you are a postgraduate in training or a practicing radiologist, this CPD aims to strengthen your fundamentals, update your approach to challenging cases & improve diagnostic accuracy in daily practice.

We look forward to your active participation in this enriching academic event.
